

TEREX POSI-TRACK LOADERS... *YOU WON'T BELIEVE THE DIFFERENCE.*

PT-30

PT-60

PT-70

PT-100G

PT-100G FORESTRY

Terex Posi-Track Loaders are designed from the ground up to be the best compact track loaders in the business. From the compact and nimble PT-30 to the powerful PT-100G, each machine in the Terex range is built on the patented Posi-Track undercarriage. Featuring an advanced suspension system that delivers unrivalled traction, superior operator comfort, and reduced operating costs, each Posi-Track in the range is built to work for you.
